**CHE IS ALIVE!**

„I'm Ernesto Guevara de la Serna, my friends just call me Che!“ Totally surprised, Henry puts down his beer. The man sitting in front of him really looks like Che Guevara. Henry can't help but laugh at so much chutzpah: „Not bad, but I think you forgot something: Che was killed in 1967 in the Bolivian jungle- and that's a fact!“ The other man doesn't agree: „Fact is I'm sitting here and I'm alive, that's what counts. Or do you believe in ghosts? Salud!“
